Luca Caioli: Antoine, thank you for taking the time to speak to me. You're coming off a great season with Barcelona, winning the Copa del Rey and reaching the semi-finals of the Champions League. What are your thoughts on the season as a whole?

Antoine Griezmann: It was a great season for us, but we're disappointed that we didn't win the league or the Champions League. We played well in

both competitions, but we just came up short in the end. But overall, it was a positive season and we're looking forward to next year.

Caioli: You're going into the Euro 2024 tournament as one of the favorites. France is the defending champion and you have a lot of talented players in your squad. What are your expectations for the tournament?

Griezmann: We're going into the tournament with a lot of confidence. We have a great team and we're all very excited to play in front of our home fans. We know that it will be a difficult tournament, but we're confident that we can win it.

Caioli: You're one of the most experienced players in the French squad. What advice would you give to the younger players on the team?

Griezmann: I would tell them to enjoy the experience and to make the most of it. The Euros is a special tournament and it's something that you'll never forget. I would also tell them to work hard and to listen to the coaches. If they do that, they'll have a great tournament.

Caioli: You're one of the most popular footballers in the world. What does it mean to you to represent France and to be a role model for young people?

Griezmann: It's an honor to represent France and to be a role model for young people. I know that I have a responsibility to be a positive role model and I try to do my best to do that. I want to inspire young people to reach their goals and to believe in themselves.

Caioli: What are your future plans? Do you see yourself playing for France for many years to come?

Griezmann: I hope so. I love playing for France and I want to continue to play for as long as I can. I'm still only 31 years old and I feel like I have a lot of good years left in me. I'm looking forward to the future and to what it holds.

Caioli: Thank you for your time, Antoine. I wish you all the best in the Euro 2024 tournament.

Griezmann: Thank you, Luca. I appreciate the support.
