

At the Grave of the Unknown Fisherman: John Gierach's Fly Fishing Library

John Gierach is one of the most beloved and influential fly fishing writers of all time. His books are full of wit, wisdom, and a deep love of the sport. Gierach's writing has helped to shape the way we think about fly fishing, and his books are essential reading for any angler who wants to improve their skills and understanding of the sport.

A Brief Biography of John Gierach

John Gierach was born in 1945 in New Jersey. He grew up fishing the trout streams of the Catskill Mountains, and he began writing about fly fishing in the early 1970s. Gierach's first book, *Trout Bum*, was published in 1978, and it quickly became a bestseller. Gierach has since written more than 20 books about fly fishing, as well as numerous articles and essays.

Gierach is known for his humorous and self-deprecating writing style. He is also a passionate advocate for the environment, and his books often explore the relationship between humans and the natural world. Gierach lives in Colorado with his wife and two daughters.

The Fly Fishing Library of John Gierach

Gierach's fly fishing library is vast and eclectic. He has read everything from classic works of angling literature to obscure self-published books. Gierach's library is a reflection of his wide-ranging interests, and it includes books on everything from fly tying to fly casting to fishing history.

Some of Gierach's favorite books include:

- *A River Runs Through It* by Norman Maclean
- *The Compleat Angler* by Izaak Walton
- *The Dry Fly and Fast Water* by George La Branche
- *Fishing from the Earliest Times* by William Radcliffe
- *Trout Madness* by John Randolph

Gierach's library is a valuable resource for any angler who wants to learn more about the sport. His books are full of useful information and advice, and they are also a pleasure to read.

Gierach's Writing Style and Philosophies

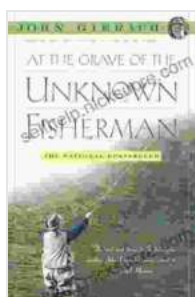

Gierach's writing style is characterized by its humor, self-deprecation, and love of the outdoors. He is a gifted storyteller, and his books are full of amusing anecdotes and memorable characters.

Gierach is also a passionate advocate for the environment. He believes that fishing is a way to connect with the natural world, and he encourages anglers to be responsible stewards of the environment.

Here are some of Gierach's most famous quotes:

- "Fly fishing is not a competitive sport. It is a way to measure our own growth as human beings."
- "The best way to catch fish is to fish where the fish are."
- "The only thing better than fishing is talking about fishing."
- "Fly fishing is a way of life. It is a way of seeing the world and our place in it."

John Gierach is one of the most important and influential fly fishing writers of all time. His books are full of wit, wisdom, and a deep love of the sport. Gierach's library is a valuable resource for any angler who wants to learn more about fly fishing, and his writing style and philosophies are sure to inspire and entertain readers of all levels.
