The Reality of Spiritual Warfare

Marriage is a beautiful and sacred institution, but it can also be a target for spiritual attacks. The enemy knows that if he can destroy a marriage, he can destroy a family and weaken the church. That's why it's so important to be aware of the reality of spiritual battle and to know how to defend your marriage against it.

Spiritual warfare is not something that we should take lightly. It is a real and serious threat to our marriages and our families. The Bible tells us that we are in a battle against the forces of darkness, and that we must be prepared to fight for our marriages.

Ephesians 6:12 says, "For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of

this world, against spiritual wickedness in high places."

This verse tells us that our battle is not against other people, but against the spiritual forces of evil that are trying to destroy our marriages.

How to Defend Your Marriage

So how can we defend our marriages against spiritual attacks? Here are a few tips:

- **Pray together.** Prayer is one of the most powerful weapons that we have in the fight against spiritual warfare. When you pray together as a couple, you are inviting God into your marriage and asking Him to protect it from harm.
- **Read the Bible together.** The Bible is God's Word, and it is full of wisdom and guidance for how to live a godly life. When you read the Bible together as a couple, you are filling your minds with God's truth and giving the Holy Spirit an opportunity to speak to you.
- **Attend church together.** Church is a place where you can connect with other believers and receive support and encouragement. When you attend church together as a couple, you are building a strong foundation for your marriage and making it more difficult for the enemy to attack.
- **Be accountable to others.** Find a trusted friend or mentor who can hold you accountable for your actions and encourage you in your marriage. When you are accountable to others, you are less likely to make decisions that could put your marriage at risk.

- **Forgive each other.** Forgiveness is essential for a healthy marriage. When you forgive your spouse, you are not only releasing them from their sin, but you are also breaking the power of the enemy over your marriage.

Marriage is a beautiful and sacred institution, but it is also a target for spiritual attacks. The enemy knows that if he can destroy a marriage, he can destroy a family and weaken the church. That's why it's so important to be aware of the reality of spiritual battle and to know how to defend your marriage against it.

By following the tips in this article, you can strengthen your marriage and make it more resistant to spiritual attacks. Remember, you are not alone in this battle. God is with you, and He will help you to defend your marriage and keep it strong.
