

# Facing America: A Team Dedicated to Empowering Immigrants and Refugees

Facing America is a national non-profit organization that works to improve the lives of immigrants and refugees in the United States. The organization was founded in 2007 by a group of activists and advocates who were concerned about the challenges that immigrants faced in accessing healthcare, education, and other essential services.

## Mission and Vision

Facing America's mission is to "create a more just and welcoming nation for immigrants and refugees by empowering them to thrive." The organization's vision is to "see a future where all immigrants and refugees are fully integrated into American society and have the opportunity to succeed."

## Services

Facing America provides a variety of services to immigrants and refugees, including:

- **Policy advocacy:** Facing America advocates for policies that support immigrants and refugees, such as comprehensive immigration reform, increased funding for refugee resettlement, and expanded access to healthcare and education.
- **Community organizing:** Facing America works with immigrant and refugee communities to organize and build power. The organization provides training and support to community leaders, and helps them to develop and implement strategies for change.
- **Research and analysis:** Facing America conducts research and analysis on the needs of immigrants and refugees. The organization's research is used to inform policy advocacy and community organizing efforts.
- **Public education:** Facing America educates the public about the challenges and opportunities facing immigrants and refugees. The organization's public education campaigns aim to change attitudes and perceptions about immigration, and to build support for policies that support immigrants and refugees.

## Impact

Facing America's work has had a significant impact on the lives of immigrants and refugees in the United States. The organization's advocacy efforts have helped to pass legislation that provides increased funding for refugee resettlement, and has expanded access to healthcare and education for immigrants. Facing America's community organizing efforts have helped to build power in immigrant and refugee communities, and

have led to the development of new programs and services that support these communities. Facing America's research and analysis has helped to inform policy debates and has raised awareness of the challenges and opportunities facing immigrants and refugees. Facing America's public education campaigns have helped to change attitudes and perceptions about immigration, and have built support for policies that support immigrants and refugees.

## **Team**

Facing America is led by a team of experienced activists, advocates, and researchers. The organization's staff is committed to working with immigrants and refugees to create a more just and welcoming nation.
