The novel opens in 1939, on the eve of war. England is preparing for the inevitable, and the lives of four young women are about to be forever changed.

- **Lily** is a young woman from a working-class family. She is engaged to a man she does not love, but she is determined to make the best of her life.

- **Rose** is a beautiful and ambitious young woman. She is engaged to a wealthy man who she believes will provide her with the life she has always dreamed of.
- **Violet** is a shy and introverted young woman. She is in love with a man who does not love her back.
- **Poppy** is a strong and independent young woman. She is determined to make her own way in life, despite the challenges she faces.

As war breaks out, the lives of these four women are thrown into turmoil. Lily's fiancé is killed in action, and she is left to pick up the pieces of her broken heart. Rose's husband is captured by the Germans, and she is forced to face the possibility that she may never see him again. Violet's unrequited love for her childhood friend becomes even more painful as she watches him fall in love with another woman. And Poppy's determination to make her own way in life is tested when she is forced to take on a dangerous job in a munitions factory.

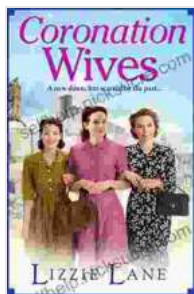

Through all of their trials and tribulations, these four women will find strength in each other. They will learn to love, to lose, and to forgive. And they will discover that the human heart is capable of great resilience.

Wives and Lovers is a heartbreaking and ultimately uplifting story about the power of love, the strength of friendship, and the resilience of the human spirit. It is a novel that will stay with you long after you finish reading it.
