The game is played in rounds, with the first player to win two rounds being declared the winner. Each round is played on a different stage, and the stage design can have a significant impact on the gameplay.

Love At First Fight is a fast-paced and action-packed game, and it requires players to have quick reflexes and good decision-making skills. The game also features a number of unique mechanics, such as the "love meter" and the "rage mode", which can add an extra layer of excitement to the gameplay.

## Characters

Love At First Fight features a roster of 12 unique characters, each with their own unique set of moves and abilities. The characters are divided into four classes: light, medium, heavy, and special.

- **Light characters** are fast and agile, and they excel at dealing quick, precise attacks. They are also the most vulnerable to damage, so they must be careful not to get hit too often.
- **Medium characters** are well-balanced and versatile, and they can adapt to a variety of situations. They are not as fast as light characters, but they are not as vulnerable to damage either.
- **Heavy characters** are slow and powerful, and they excel at dealing heavy damage. They are also the most durable characters in the game, so they can take a lot of punishment before they go down.
- **Special characters** are unique characters that do not fit into any of the other classes. They have their own unique set of moves and abilities, and they can be very powerful in the right hands.

## Stages

Love At First Fight features a variety of different stages, each with its own unique design. The stage design can have a significant impact on the

gameplay, so it is important to choose a stage that suits your character's playstyle.

- **The Training Room** is a simple and straightforward stage that is perfect for practicing your combos and learning the game's mechanics.
- **The Forest** is a lush and verdant stage that features a variety of trees and obstacles. The stage is perfect for characters who excel at using projectiles and traps.
- **The Castle** is a large and imposing stage that features a variety of different rooms and corridors. The stage is perfect for characters who excel at close-quarters combat.
- **The Volcano** is a fiery and dangerous stage that features a lava pit in the center. The stage is perfect for characters who excel at using fire attacks.

## Game Modes

Love At First Fight features a variety of different game modes, including:

- **Arcade Mode** is a single-player mode where you fight your way through a series of increasingly difficult opponents.
- **Versus Mode** is a multiplayer mode where you can fight against a friend or another player online.
- **Tournament Mode** is a multiplayer mode where you can compete against other players in a tournament format.
- **Training Mode** is a mode where you can practice your combos and learn the game's mechanics.
