Right On Track is a non-profit organization that uses running to empower young people in under-resourced communities. We provide training, mentorship, and opportunities to race for free.

Our mission is to help young people develop the physical, mental, and emotional skills they need to succeed in life. We believe that running is a powerful tool for personal transformation. It teaches young people discipline, perseverance, and teamwork. It also helps them to build confidence and self-esteem.

Our programs are designed to meet the needs of young people from all backgrounds. We offer a variety of programs, including:

- **Run Club:** A free after-school running program for youth ages 8-18
- **Race Team:** A competitive racing team for youth ages 12-18

- **Mentoring Program:** A one-on-one mentoring program for youth ages 12-18
- **Scholarships:** Scholarships to help youth pay for college

Since our founding in 2005, Right On Track has helped over 5,000 young people reach their full potential. Our alumni have gone on to college, successful careers, and fulfilling lives.

We are grateful for the support of our donors, volunteers, and partners. Together, we are making a difference in the lives of young people.

How to Get Involved
