The Stance

Norman's stance was also very unique. He stood with his feet very narrow, and his knees were slightly bent. This stance allowed him to get a lot of leverage on the ball, and it also helped him to generate a lot of power.

The Swing

Norman's swing was very different from the traditional golf swing. He took the club back very slowly and deliberately, and he kept his head down throughout the swing. He also made a very exaggerated follow-through, which helped him to generate a lot of power.

The Results

Norman's unique golf swing allowed him to achieve great success on the golf course. He won over 800 tournaments worldwide, including the Canadian Open and the PGA Championship. He was also a member of the Canadian Golf Hall of Fame.

Moe Norman was one of the most unique and successful golfers in history. His unorthodox golf swing allowed him to hit the ball with incredible accuracy and power. He was a true master of the game, and his legacy will continue to inspire golfers for years to come.
